

"I've been going to conventions for 20 years but I have never been to an event like this – so much history, so much to do but, just experiencing that valley – that alone would have been enough."

## Experience a unique day in the valley

Enjoy “a day on the ranch” in East Beaver Valley and experience the crisp Colorado mountain air, wildflower-covered meadows, pristine canyon land and welcoming hospitality.

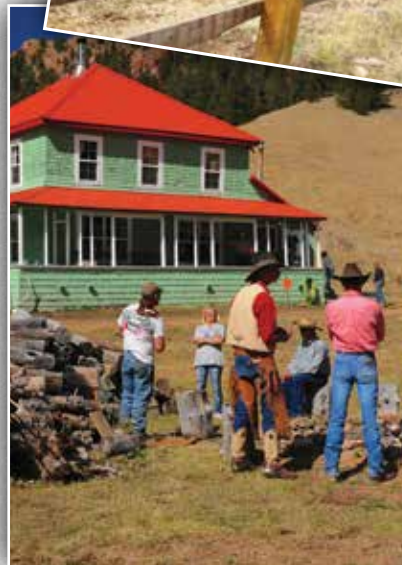

Located south of Pikes Peak just 17 miles from The Broadmoor, the century-old Elk Glade Ranch hosts events from 12:30-6:00 p.m. (check our schedule for days). Chartered vans will take you directly from The Broadmoor to the ranch — sit back, relax and take in the scenery on this 45-60-minute ride, traveling the historic Old Stage/Gold Camp Road that follows the route of the old mining railroad. It was this route that President Theodore Roosevelt referred to as “the trip that bankrupts the English language.”

At Elk Glade, all money stays in the valley. We aim to keep it a wild place, and your patronage helps preserve the rare pristine nature of this valley. We're proud to run the property as a nature preserve, to protect water rights and the land from overgrazing. Much of our holdings have been gifted or will be gifted to the Colorado Cattleman's Agricultural Land Trust (ccalt.org).

## Pick your own adventures

At the ranch, experience a taste of the Old West with:

- Horseback rides through open meadows of pine, spruce and aspen.
- Jeep tours exploring old stage coach trails.
- Hikes and fly fishing excursions in the serene, colorful valley.
- Mouth-watering BBQ meals.
- Cozy campfires and music by Grass It Up, a premier Colorado bluegrass band.
- Experienced, genuine cowboys.
- Target shooting, and more!
